

DRY ROSÉ OF PINOT NOIR STV ESTATE VINEYARD 2017

SILVER THREAD
VINEYARD

Our Most Beautiful Wine

Silver Thread Dry Rosé is pure, liquified terroir. It's delicate salmon color is reminiscent of a Finger Lakes sunset.

Grapes were hand-harvested from our 15-to-20-year-old Pinot Noir vines. Careful sorting at the vine ensured optimal ripeness and fruit quality.

Grapes were pressed directly, allowing a hint of color and minimal tannins. Most of the juice was fermented in stainless steel, but a fraction was fermented in neutral oak and underwent malolactic fermentation to soften and broaden the texture.

240 cases were produced.

Tasting Notes: *Aromas of freshly-squeezed ruby grapefruit and raspberry lead to crisp acidity on the palate and flickers of minerality. Drink now for optimal freshness.*

Pairing Suggestions: Grilled shrimp, goat cheese, green salads, artisan pizza.

Accolades: 89 pts. *Robert Parker Wine Advocate*
