

Steamed Crabs pairs well with Gewurtztraminer or beer

Since we live in Southeastern PA and boat on the upper Chesapeake Bay, this is a favorite of the extended family. The recipe is simple.

1. Call B&B crabs in Elkton Md @
1 (410) 398-8089 to order steamed crabs with Old Bay seasoning. Other providers may be substituted but cannot guarantee the results.
2. Pick up Crabs from provider.
3. Using wooden mallet, nut cracker,, and plenty of beverages, pick the crabs and enjoy.
4. If leftovers, see Sally's recipe for Crab Imperial.
