Petillant Naturel 2025

The 2025 Petillant Naturel is a blend of red and white grapes, both vinifera and locally-adapted hybrids.

Cases produced: 312 / Residual sugar: 0% / TA: 6.76 g/L / Alcohol by Volume: 12.3%

Tasting notes: Alluring aromas of cranberry, strawberry, yeast, and vanilla accompany this dark pink wine. A fine and gentle mousse combine with a soft texture for a lively sensory experience. Pure, unadulterated, and alive...this wine showcases the best of what *methode ancestrale* can be.

Harvest notes: Our Pet Nat was assembled over the course of the 2025 harvest, with pickings taking place throughout September and October. Despite a cold, wet spring, 2025 will be remembered as a dry year, as the rain let up in June and we experienced drought conditions in August and September.

Winemaker notes: The blend is 32% Regent, 19% Lemberger, 18% Riesling, 16% Pinot Noir, and 15% Cayuga. The wine was made with 100% native fermentation. Neutral oak barriques housed some of the fermentation, while other portions were fermented in stainless steel. Multiple fermentations were blended and settled prior to bottling without added sulfites in November 2025. Fermentation finished in the bottle during December 2025 and January 2026.

Cellaring: This wine is meant to be consumed young. The yeast will help preserve it for at least one year, but it is essentially a fresh product intended for youthful consumption due to the lack of sulfites.

Label: The hummingbird feather on the label reflects the natural and spontaneous character of the wine, while the indigenous turtle symbol represents the sacred ground of the Finger Lakes that produces outstanding fruit.

MSRP: \$26-28/bottle
